Are you passionate about the well-being of our tamariki?

Call for Nominations: CPAG Management Committee 2014-2015

The CPAG Management Committee is responsible for the strategic direction, governance and management of the organisation. The Auckland based Committee consists of up to eleven elected members and meets once per month.

Given the complex and multifaceted nature of child poverty, CPAG firmly believes in drawing on a wide range of skills, experience and interests in order to achieve our objectives. We are very fortunate to have the long term commitment from experts in health, education, housing, economics, and social work but are always seeking involvement s from new, skilled people who are passionate about the well being of our tamariki.

All inquiries and nominations are welcome. We are particularly keen to encourage people who:

- Can bring a greater Maori and/or Pasifika perspective to our work.
- Have solid experience in fundraising and/or communications.

In order to nominate yourself for election at the July 2014 AGM, you must have been a financial CPAG member for at least six weeks before the date of the AGM (30 July). Ideally a brief description of relevant skills and interests to support your candidacy would be appreciated.

Please note: Even if you do not meet these criteria, we still urge you to register your interest. It is possible to be co-opted onto the Committee at a later date in order to broaden the range of skills and expertise of CPAG.
