Overview – Our Areas of Focus

Our Mission

We provide immediate relief and pathways to long-term wellbeing for people in greatest need, through connection and access to kai, kāinga and hauora.

Our Vision

A Tāmaki Makaurau where everyone can thrive.

The impact we seek to make :

- Homelessness is rare, brief and non-recurring with affordable and healthy homes a reality for all.
- Everyone has access to enough good kai to sustain them and their whānau needs.
- Healthcare is accessible for all, including people living with the effects of trauma, mental unwellness and substance abuse.
